

2020-2021 Verification Worksheet **Verification Tracking Group V4**

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal regulations require that before awarding federal student aid, we ask you to confirm the information you reported on your FAFSA to verify that you provided correct information. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school.

- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.
